

3.70 BLANCO GLASS, BLANCO EMOTIONS® MATE, CRISTAL TRANSPARENTE

This kitchen is a perfect example of how white can be used with wood colours to bring a blend of stylish elegance and minimalist simplicity to rooms. Two different shades of white are featured: HPL Blanco Glass and Blanco Emotions. Combined with the clear glass of the shelves and bar area, the final outcome is a clean-looking highly functional kitchen, thanks to its easily visible high amount of storage space, used to transform kitchen utensils into yet another decorative feature.
