

**6.70 NOGAL SEDA, E5.70 BOTTLE BRILLO**

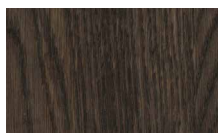

This Emotions kitchen comes in two contrasting finishes that can be combined to perfect effect: a Nogal Seda wood veneer finish and our Bottle Brillo lacquer finish, presented for the first time at the 27th Porcelanosa International Exhibition. The countertop in Xtone Calacatta Gold Silk adds a chic sophisticated touch. All the cabinets feature integrated draw pulls to give the whole kitchen a much neater end appearance.

This kitchen stands out particularly for its extendible peninsula. When it is pulled out to reveal the Xtone

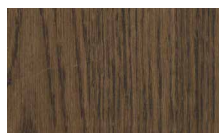

Calacatta Gold Silk countertop, further space is created as a worktop or superb kitchen bar to take full advantage of being in the kitchen. Another highpoint in terms of functionality and visual appeal is its high storage space in both the wall and bottom units, with illuminated visible shelving so that anything stored there can be used for decorative purposes.
