

7.90 Roble Polvo, E4.90 Limo mate

This Emotions kitchen stands out for its mix of contrasting materials, with Limo matt lacquer, Roble Polvo brushed wood veneer, and an Xtone Liem Grey Nature countertop. Several features lend it a highly singular appeal. One is the kitchen island, afforded added elegance through the incorporation of a series of illuminated glass-fronted bottom units. Another is the kitchen island's mobile Roble Polvo countertop, which can be pulled out for use as a kitchen bar or as an additional worktop. The third is the section with the tower units, featuring integrated electrical

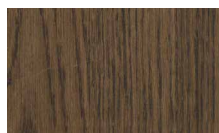

appliances and high storage space, in addition to extra workspace in the form of shelves that can be pulled out or pushed in again as needed.
