

R 3.90 Topo mate, Etimoe Night

This is a kitchen with a strikingly innovative design, combining Topo Mate and Etimoe Night finishes with a Krion Blanco Snow countertop. Its most outstanding feature is the table, which forms a T shape with the adjacent work space, guaranteeing enough space to cook in company. Substantial storage space is available in its top and bottom drawers and big section of tower units. These come in either a Topo Mate or transparent glass finish so that, in this second case, they can be used for display purposes.
