

**R 4.60 Cement Brillo, R1.60 Eucalyptus Smutty**

This elegant kitchen comes in a combination of a Cement Brillo and Eucalyptus Smutty laminate finish, matched with a natural-look Granito Cheyenne countertop. The kitchen stands out for its table and worktops, made of the same material as the tower units in order to ensure a certain overall coherence. The integrated electrical appliances also manage to lend it a far tidier appearance in keeping with the general design.
